CONCEPT SOLUTIONS, LLC ANNOUNCES NEW CHIEF TECHNOLOGY OFFICER

Concept Solutions, LLC (CS) announces the hiring of industry technology veteran, Bill Wright, as Chief Technology Officer (CTO). Mr. Wright will support strategic growth initiatives, as well as help guide our technology approach and innovation for CS. Mr. Wright has over 25 years of information technology experience, across roles expanding software development, task leadership, project management, Technical Director, small business Chief Operating Officer, and Senior Solution Architect. Additionally, Mike Shields, who has served as our CTO since 2005, will be transitioning his leadership role to Chief Software Engineer.

Prior to joining Concept Solutions, Mr. Wright held the position of Senior Director, Principal Solutions Architect at 1901 Group where he supported program and corporate level capture and proposal activities and provided technical support to projects advancing into new areas. He also previously worked as both Program Manager and Technical Director at SRA International.

Before starting CS, our own COO & Executive VP, John Krahulec worked with Mr. Wright at SRA International approximately 23 years ago. Upon his hiring, Mr. Krahulec stated, "Even after all this time, I still remember his impressive technical prowess and I'm excited by the opportunity to work with him again; he will be a great addition to the CS team."

He holds a bachelor's degree in Psychology and a Master's in Industrial and Systems Engineering: Human Factors Option from Virginia Polytechnic Institute and State University.
